The State will not deem any Grantee costs submitted for reimbursement after the final invoice to be allowable and reimbursable by the State, and such invoices will NOT be paid.
 - c. The Grantee's failure to provide a final grant disbursement reconciliation report to the state as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the state pursuant to this Grant Contract.
 - d. The Grantee must close out its accounting records at the end of the grant period in such a way that reimbursable expenditures and revenue collections are NOT carried forward.

The Grantee will be reimbursed for indirect cost in accordance with the approved indirect cost rate to amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the grant period. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency and the State. If the indirect cost rate is provisional during the term of this agreement, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.

- C.11. Unallowable Costs. The Grantee's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, not to constitute allowable costs.

The Grantee shall not invoice the State for services until the Grantee has completed this form and submitted it to the State.

The State shall give the Grantee at least One Hundred Fifty (150) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service which has not been rendered. The final decision as to the amount, for which the State is liable, shall be determined by the State. Should the State exercise this provision, the Grantee shall not have any right to any actual general,

special, incidental, consequential, or any other damages whatsoever of any description or amount.

- D.4. Termination for Cause. If the Grantee fails to properly perform its obligations under this Grant Contract in a timely or proper manner, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate the Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.

Notwithstanding any use of approved subcontractors, the Grantee shall be the prime contractor and shall be responsible for all work performed.
- D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.
- D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:
- a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
 - c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.
- This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, *U.S. Code*.
- D.8. Nondiscrimination. The Grantee hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Grantee shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

- D.9. Public Accountability. If the Grantee is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4 or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Grantee shall display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least twelve inches (12") in height and eighteen inches (18") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454

- D.10. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee shall include the statement, "This project is funded under an agreement with the Department of Human Services." Any such notices by the Grantee shall be approved by the State.
- D.11. Licensure. The Grantee and its employees and all sub-grantees shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.
- D.12. Records. The Grantee (and any approved subcontractor) shall maintain documentation for all charges under this Contract. The books, records, and documents of the Grantee (and any approved subcontractor), insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the state agency, the Comptroller of the Treasury, or their duly appointed representatives. The records of not-for-profit entities shall be maintained in accordance with the *Accounting Manual for the Recipients of Grant Funds in the State of Tennessee*, published by the Tennessee Comptroller of the Treasury (available at <http://comptroller.state.tn.us/ma/nonprofit/nonprofit1.pdf>). The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.13. Prevailing Wage Rates. All grants and contracts for construction, erection, or demolition or to install goods or materials that involve the expenditure of any funds derived from the State require compliance with the prevailing wage laws as provided in *Tennessee Code Annotated*, Section 12-4-401 *et seq.*
- D.14. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.15. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.
- D.16. Annual Report and Audit. The Grantee shall prepare and submit, within nine (9) months after the close of the reporting period, an annual report of its activities funded under this Grant Contract to the commissioner or head of the Granting agency, the Tennessee Comptroller of the Treasury, and the Commissioner of Finance and Administration. The annual report for any Grantee that receives five hundred thousand dollars (\$500,000) or more in aggregate federal and state funding for all its programs shall include audited financial statements. All books of account and financial records shall be subject to annual audit by the Tennessee Comptroller of the Treasury or the Comptroller's duly appointed representative. When an audit is required, the Grantee may, with the prior approval of the Comptroller, engage a licensed independent public accountant to perform the audit. The audit contract between the Grantee and the licensed independent public accountant shall be on a contract form prescribed by the Tennessee Comptroller of the Treasury. Any such audit shall be performed in accordance with generally accepted government auditing

standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of the Treasury. The Grantee shall be responsible for reimbursement of the cost of the audit prepared by the Tennessee Comptroller of the Treasury, and payment of fees for the audit prepared by the licensed independent public accountant. Payment of the audit fees of the licensed independent public accountant by the Grantee shall be subject to the provisions relating to such fees contained in the prescribed contract form noted above. Copies of such audits shall be provided to the designated cognizant state agency, the State Granting Department, the Tennessee Comptroller of the Treasury, and the Department of Finance and Administration and shall be made available to the public.

- D.17. Procurement. If the other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, and/or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method was not practical, said documentation shall include a written justification for such decision and non-competitive procurement. Further, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the Grantee's compliance with applicable federal procurement requirements.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

- D.18. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.19. Independent Contractor. The parties hereto, in the performance of this Grant Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being a political subdivision of the State, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.20. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.
- D.21. Force Majeure. The obligations of the parties to this Grant Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.22. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract.

- D.23. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.24. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.25. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.26. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

E. SPECIAL TERMS AND CONDITIONS:

- E.3. Subject to Funds Availability. The Grant Contract is subject to the appropriation and availability of State and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate the Grant Contract upon written notice to the Grantee. Said termination shall not be deemed a breach of Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.4. Voluntary Buyout Program. The Grantee acknowledges and understands that, for a period of two years beginning August 16, 2008, restrictions are imposed on former state employees who received a State of Tennessee Voluntary Buyout Program (VBP) severance payment with regard to contracts with state agencies that participated in the VBP.
- a. The State will not contract with either a former state employee who received a VBP severance payment or an entity in which a former state employee who received a VBP severance payment or the spouse of such an individual holds a controlling financial interest.
 - b. The State may contract with an entity with which a former state employee who received a VBP severance payment is an employee or an independent contractor. Notwithstanding the foregoing, the Grantee understands and agrees that there may be unique business circumstances under which a return to work by a former state employee who received a VBP severance payment as an employee or an independent contractor of a State grantee would not be appropriate, and in such cases the State may refuse Grantee personnel. Inasmuch, it shall be the responsibility of the State to review Grantee personnel to identify any such issues.
 - c. With reference to either subsection a. or b. above, a grantee may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. Any such request must be submitted to the State in the form of the *VBP Contracting Restriction Waiver Request* format available from the State and the Internet at: www.state.tn.us/finance/rds/ocr/waiver.html. The determination on such a request shall be at the sole discretion of the head of the state agency that is a Party to this Grant Contract, the Commissioner of Finance and Administration, and the Commissioner of Human Resources.
- E. 5. No Equipment Acquisition. This Grant Contract does not involve the acquisition and disposition of equipment acquired with funds provided under this Grant Contract.
- E. 6. State Furnished Property. The Grantee shall be responsible for the correct use, maintenance, and protection of all articles of nonexpendable, tangible, personal property furnished by the State for the Grantee's temporary use under this Grant Contract. Upon termination of this Grant Contract, all property furnished shall be returned to the State in good order and condition as when received, reasonable use and wear thereof excepted. Should the property be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the residual value of the property at the time of loss.
- E. 7. Environmental Tobacco Smoke. Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the Tennessee "Children's Act for Clean Indoor Air of 1995," the Grantee shall prohibit smoking of tobacco products within any indoor premises in which services are provided to individuals under the age of eighteen (18) years. The Grantee shall post "no smoking" signs in appropriate, permanent sites within such premises. This prohibition shall be applicable during all hours, not just the hours in which children are present. Violators of the prohibition may be

subject to civil penalties and fines. This prohibition shall apply to and be made part of any subcontract related to this Grant Contract.

- E. 8. Confidentiality of Records. The Grantee agrees that strict standards of confidentiality of records shall be maintained in accordance with State and Federal law and regulations (Reference TCA Section 71-1 -13 1, Section 71 -3 -119 and all other applicable State and Federal law and regulations).
- E. 8.a. All material and information provided to the Grantee by the State or acquired by the Grantee on behalf of the State whether verbal, written, magnetic tape, cards or otherwise shall be regarded as confidential information in accordance with the provisions of State law and ethical standards and shall not be disclosed, except as otherwise permitted by law, regulation or court order, and all necessary steps shall be taken by the Grantee to safeguard the confidentiality of such material or information in conformance with Federal and State law and ethical standards.
- E. 8.b. The Grantee further agrees that any information provided by the State relative to applicants or recipients of public assistance is to be used only for the administration of this Grant Contract or in any investigation, prosecution, or criminal, administrative or civil proceeding, conducted pursuant to this Grant Contract. The Grantee agrees to provide safeguards to restrict the use or disclosure of any information concerning such applicants or recipients to purposes stated in this section.
- E. 8.c. The safeguards so provided shall also prohibit disclosure to any legislator, legislative or other committee or legislative body, of any information which identifies by name or address any such applicant or recipient, except as otherwise permitted by law.
- E. 8.d. The Grantee agrees that any Federal or State tax related information will be treated as confidential, and will be used solely for purposes of administering the child support program, unless otherwise required by law.
- E. 8.e. It shall be the Grantee's responsibility to ensure that any destruction of confidential information, as described in this section, will be accomplished in a manner consistent with State policy and Federal regulations pertaining to the destruction of private or confidential data.
- E. 8.f. The Grantee's obligations under this section do not apply to information; in the public domain; entering the public domain but not from a breach by the Grantee of this Grant Contract; previously possessed by the Grantee without written obligations to the State to protect it; acquired by the Grantee without written restrictions against disclosure from a third party which, to the Grantee's knowledge, is free to disclose the information; independently developed by the Grantee without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure.
- E. 8.g. It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Grant Contract.
